

## EC CERTIFICATE OF CONFORMITY

**Number: 1121 - CPD - AA0004**

In compliance with Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it is confirmed that the following products are subject to factory production control procedures and are submitted by the manufacturer to further testing of samples taken at the factory in accordance with a prescribed test plan. The stated Notified Certification Body has performed the initial type-testing for the relevant characteristics of the product, has conducted the initial inspection of the factory and the factory production control, and is responsible for the continuous surveillance, assessment and approval of the factory production control.

construction product : **Panic Exit Devices "PUSH BAR" Series as detailed on pages 2 and 3**

placed on the market by:

Company:

**ISEO Serrature S.p.a.**

Address:

**Via S. Girolamo 13, 25055 Pisogne (BS), Italy**

product classification:

3	7	6	1*	1	4	2	2	B
---	---	---	----	---	---	---	---	---

intended use:

**For use on fire rated single leaf and double leaf escape route doors**

and product classification:

3	7	6	0	1	4	2	2	B
---	---	---	---	---	---	---	---	---

intended use:

**For use on non- fire rated single leaf and double leaf escape route doors**

This document certifies that all the provisions concerning the attestation of conformity and product performance described in Annex ZA of the product standard

**EN 1125:1997 + A1 :2001(incl. Corrigendum March 2002)**

were applied and that the product fulfils all the prescribed requirements.

Notified Certification Body: **Warrington Certification Ltd**

EC Reference Number: **1121**

This certificate was first issued on **29/07/2002**, amended on **01/02/05**, and remains valid as long as the conditions laid down in the harmonised technical specification above, or the product design, or the manufacturing conditions in the factory, or the FPC itself are not modified significantly, or at the latest **28/07/2007**.
